## FOR THE LOVE OF CHILDREN 5K RUN/WALK

Did you know that nearly 75% of children enter the foster care system because of neglect, which often stems from fixable family issues like poverty, addiction and domestic violence?

Children's Home Society of Florida (CHS) delivers the right services at the right time to help children and families through the most difficult times of their lives. We work to help keep more kids safe at home with their families, giving parents confidence and opportunities to build upon their strengths, empowering them to raise their children in healthy, nurturing homes.

And now, more than ever, your support is critical in helping CHS change life trajectories for children right here in Palm Beach County.

As a named sponsor of the 5K, you will be directly impacting local programs, including adoption, child abuse and neglect prevention and intervention, mentoring, help for runaway, homeless and vulnerable youth, and teen outreach.

Join us in helping keep more families safe, strong, and together!
